

# San Francisco Bay Area Walkability Index

Research and Demographic Unit

Geographic Information Systems Unit

Attachment 2

**Points of Interest within 1 mile of a street intersection**

- 0 - 2
- 3 - 6
- 7 - 16
- 17 - 42
- 43 - 98

**Note:**  
 The map of the month shows the overall walkability of the Bay area based on proximity to points of interest (POIs). POI categories considered for the analysis included religious, educational institutions and libraries, health services, other services, parks, retail, dining and entertainment.
